Hello Neil,

Attached please find the following...

1. Detail for the "IRI Mouse vs Rat Item Sales Analysis" including the all items that go into the total, avg retail pricing and avg cost per placement. (Excel file with tabs)
2. Detail for the "Tomcat Shipment Mouse vs Rat Item Sales Analysis" (including the information detailed in item 1) (Excel file with tabs)
3. Latest Market Share Data for rodent bait sales (including both compliant and non-compliant products as well as avg costs per placement). (Powerpoint slide)

Other information is still being compiled and will be forwarded as it is available. If there are other questions that we might assist with or

you need any clarifications, please let us know.

Sincerely,  
Todd
